

Assignment #9: MS Learn – Defender and Advisor

Ensure that you review all the instructions below. If required, ensure that the screenshots you make at each of specified points in the assignment are to specification. A full screen shot must include the ENTIRE SCREEN of your workstation, **including the Windows toolbar** of the host machine and show the Azure/MSLearn account. Refer to the FULL SCREEN SHOT grading protocol available in Blackboard. The screenshots and your answers to the questions are to be entered into the **Microsoft Word** document provided with this assignment if applicable. No other document should be submitted unless indicated. Once completed, the Word document is to be attached to this Assignment within Blackboard. Where indicated, (#### are the last 4 digits of your student number)

Preparation

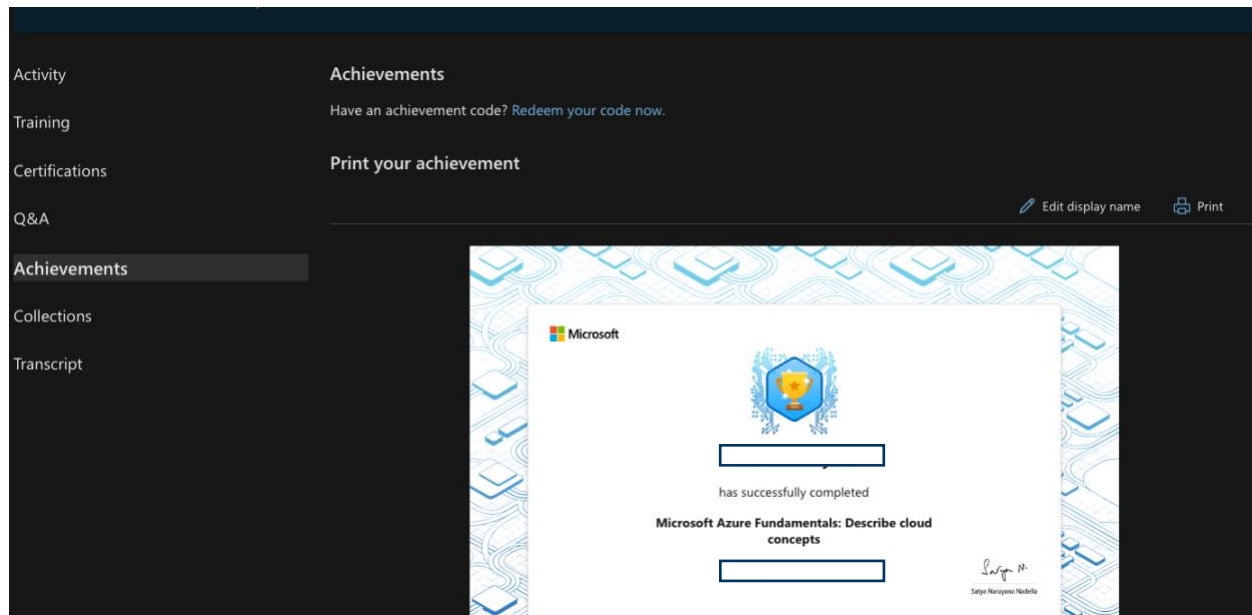

- Instructions on how to submit your MS Learn assignment is shown at the end document.

Exercise 9.1 – Microsoft Learn Learning Path: Microsoft Defender and Advisor Modules

1. Sign into your Microsoft Learn account.
2. Complete the following modules:
